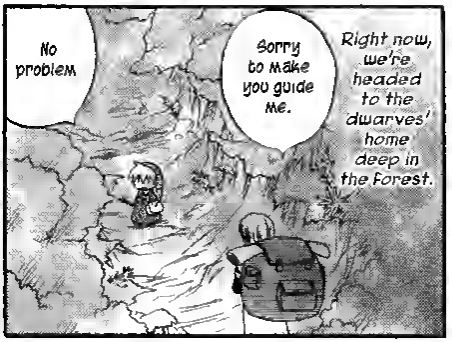
Let's do it.
We can't just give in without trying.
We don't even know whether we can trust her or not.
Hold on.
you aren't really going to go through with this, are you?
I know that,
but I still think this is our chance.
LET'S
BRING OUR FAMILY HOME!

Chapter 4

Well, I brought souvenirs for everyone.
You sure brought a lot with you though.



No problem
Sorry to make you guide me.
Right now, we're headed to the dwarves' home deep in the forest.

This is actually lighter than it was before.
Oh, you didn't have to do that. Thanks.

I haven't seen my brothers in a while anyways
If anything, I'm looking forward to it!

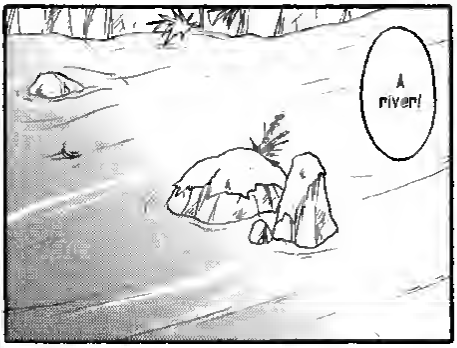
You see, I was originally planning to bring the silver prince statue.
[The Silver Prince Statue]
Previously, the Prince acquired this life-sized statue in a neighboring country. It's exclusive, but it's hard to find a place to put it.

What about you?
Me?
Is it okay for you to be out here without an escort?

I WASN'T TALKING ABOUT ITS WEIGHT...
Yes, I suppose it'd be hard to carry it there
Don't bother... It... It'd just be a burden...

Hey, is that really how a prince should be behaving?
I'M DOING THIS TO MAKE DWARF FIGURINES, SO I WON'T LET ANYONE STOP ME!

My siblings and I led a quiet life style
in a house nestled deep within the forest.



A river!

I'm completely exhausted from wandering through the forest
Please let me rest here for a while
Then, one day...

HUH?
I recognize this place.
If I remember correctly, this is where I first met you

Well, come on in and we'll work something out.
A human? What's she doing all the way out here...?

It really is.
Now that you mention it...
Yeah.

WHOA, THERE'S SOMETHING OUT THERE.
OH, JEEZ. SHE FOLLOWED ME ALL THE WAY OUT HERE? YOU'RE KIDDING, RIGHT?
SNOW WHITE, I KNOW YOU'RE IN THERE! GET OUT HERE!
